Understanding the Spiritual Laws of Life "How do we treat God's creatures? How do we treat other people? How do we treat ourselves? How do we act? How do we think? The law of life known as the Law of Karma is the great teacher. As you sow, so shall you reap. It's not a vindictive law; it's a law designed to open the heart to love and understanding." --Sri Harold Klemp, - The Spiritual Laws of Life, p. 116.

HU Song

"HU is woven into the language of life. It is the Sound of all sounds. It is the wind in the leaves, falling rain, thunder of jets, singing of birds, the awful rumble of a tornado. . . . Its sound is heard in laughter, weeping, the din of city traffic, ocean waves, and the quiet rippling of a mountain stream."
